

ART WALK 2020

AUGUST 24 – SEPTEMBER 26

**ART & CULTURE
ART ON TRACK SCAVENGER HUNT
ICONIC SELFIE MOMENTS
IN THE HISTORIC DEPOT DISTRICT**

**BERWYN
PUBLIC
ART
INITIATIVE**

The Berwyn Public Art Initiative (BPAI) will host its first Summer Art Walk in Berwyn's Historic Depot District. The windows of businesses along the Depot District will come alive with color, creativity, and inspiration from a curated collection of artworks by various visual artists. BPAI envisions artwork displayed all along Stanley and Windsor Avenues within business windows facing the sidewalks, which will allow for a safe social distancing stroll through the Depot District while discovering local talent. The goal of the Berwyn Art Walk is to provide residents an experience of art and culture, engage local businesses, and support the art community.

ART WALK HIGHLIGHTS

Art on Track Scavenger Hunt:

A scavenger mural hunt will encourage residents and visitors to explore all free-standing murals installed along the BNSF tracks in the Historic Depot District with the possibility of winning BPAI swag along with gift cards to local businesses. Instructions on how to participate will be published on our website and social media. #IHuntArt

Iconic Selfie Moment:

Engaging window artworks will be installed on select business windows using temporary chalk paint that will create special photo-op moments for the community and provide additional visibility and interaction in the business district.

Instructions on how to participate will be published on our website and social media. #IconicSelfie

Berwyn Public Art Initiative

OUR WORK

The Berwyn Public Art Initiative (BPAI) is a community-driven 501(c)(3) Not-for-Profit that leverages the use of public art, cultural programming, pop-up galleries, and arts education to strengthen the social and economic fabric of Berwyn.

OUR MISSION

To inspire, educate, and advocate for using the creative power of public art to building a more healthy, inclusive, culturally-vibrant community.

VISION

Public Art installations reflect our inclusive, equitable, and diversely-rich community.
